**JOINT PETITION FOR APPROVAL TO ACQUIRE ASSETS  
AND REQUEST FOR EXPEDITED APPROVAL**

NOW COMES IBFA Acquisition Company, LLC d/b/a Farm Bureau Connection (“IBFA”) and American Farm Bureau, Inc (“AFBI” or “Seller” or collectively “the Parties”) by and through their attorneys pursuant to the rules and regulations of the Tennessee Regulatory Authority (“TRA”), especially Tenn. Code Ann §65-4-113 and TRA Rule 1220-4-2-.56 (2) and hereby jointly request that the TRA approve the acquisition by IBFA of certain telecommunication assets, including the subscriber base of AFBI and to grant such relief on an expedited basis to allow for the consummation of the transaction without undue delay. For the reasons set forth below, the Parties request the TRA to grant such approval on or before October 1, 2005. IBFA and AFBI provide the following in support of this request:

I. The Parties

A. IBFA Acquisition Company, LLC d/b/a Farm Bureau Connection

IBFA is a limited liability company organized under the laws of the State of Michigan with principal offices located at Elk Grove Village, Illinois. IBFA is authorized to provide intrastate, interexchange service in 27 jurisdictions and is filing nationwide for authority to provide local exchange and/or interexchange telecommunications services. An Application for a Certificate of Public Convenience and Necessity to provide intrastate competitive local exchange and interexchange telecommunications services within the State of Tennessee was filed with the TRA in Docket No. 05-00151 on May 26, 2005. IBFA was formed by former employees and managers of AFBI who operated the Farm Bureau Connection program for AFBI.

The principal office of IBFA is located at:

1850 Howard Street, Unit C  
Elk Grove Village, IL 60007

**B. American Farm Bureau, Inc.**

AFBI is a corporation organized under the laws of the State of Illinois with offices located in Washington, DC. AFBI has been authorized under Section 214 of the Communications Act of 1934, as amended, to provide domestic interstate and international telecommunications service, and has authority to provide intrastate, interexchange service in 39 states, with CLEC authority in 13 of those states, including the State of Tennessee (Case No. 97-00025 and Docket No. 03-00552). Copies of AFBI's Certificate of Public Convenience and Necessity issued by the TRA and business licenses appear as **Exhibit A**. Subject to regulatory approval, and in connection with the transaction described herein, AFBI is voluntarily terminating these authorizations to provide telecommunications services.

The current principal office of AFBI is located at:

600 Maryland Avenue SW  
Suite 800

## II. The Transaction

Pursuant to an Asset Purchase Agreement executed January 31, 2005, AFBI has agreed to sell to IBFA, and IBFA has agreed to purchase the assets, including but not limited to: (1) all PUC/PSC/FCC licenses, CPCNs and tariffs authorizing Seller to do business in all relevant states to the extent assignable or transferable; and (2) the customer base and other communications and ISP assets as of the Closing Date.

Attached as **Exhibit B**, please find a copy of the self-certification letter filed with the Federal Communications Commission as required in CC Docket No. 00-257, certifying that the customer transfer is in compliance with all FCC regulations governing such transactions.

## III. Public Interest Considerations

The former employees and managers, employed by AFBI to operate the Farm Bureau Connection program, have formed IBFA to acquire and run the Farm Bureau Connection program. The transaction serves the public interest for the following reasons

1. Having the managers and employees own the company gives the managers and owners a direct economic incentive to maintain and extend the high quality service that AFBI has provided to customers.

2. IBFA anticipates that it may add new products and services, thereby providing innovation, as well as high quality and low prices, to stimulate competition in the marketplace and to provide telecommunications services for a greater number of consumers in this state at competitive rates.

Upon approval of this transaction, AFBI will not continue to provide service in Tennessee and will surrender or assign its authorization to provide services. In addition, IBFA will provide notice to the AFBI Customers, and assure them of IBFA's commitment to continue the provision of high quality, affordable services pursuant to the company's filed tariff. A copy of the sample notice of the transfer appears as **Exhibit C** attached hereto. Customers will continue to receive the high quality, affordable telecommunications services that they presently receive. IBFA filed its tariffs to establish rates, terms, and conditions identical to those in the Seller's tariffs, thus providing a seamless transition for existing

customers of AFBI. The proposed acquisition will be virtually transparent to AFBI's customers and will not cause inconvenience or confusion to AFBI customers

IBFA certifies that it has the necessary managerial and financial resources to provide the public with quality telecommunications service throughout the state. After the consummation of the transaction, IBFA will be lead by a team of well-qualified managers comprised of its existing personnel, many of whom previously operated the Farm Bureau Connection program for AFBI IBFA expects that the ample managerial, technical and financial expertise of this managerial team will enable IBFA to provide high quality service to AFBI customers as well as to expand its customer base. The proposed acquisition will therefore promote competition in the Tennessee services market and serve the public interest.

WHEREFORE, IBFA and AFBI respectfully request that the Authority authorize the sale of assets from AFBI to IBFA. In addition, the Parties respectfully request expedited processing of this Joint Petition so that the transaction may proceed without undue delay.

Respectfully submitted,

NASHVILLE, TENNESSEE

IN RE:

APPLICATION OF AMERICAN FARM BUREAU, INC. D/B/A THE FARM BUREAU CONNECTION FOR A CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO PROVIDE COMPETING RESOLD AND FACILITIES-BASED LOCAL EXCHANGE TELECOMMUNICATIONS SERVICES AND INTEREXCHANGE TELECOMMUNICATIONS SERVICES, INCLUDING EXCHANGE ACCESS SERVICES, IN THE STATE OF TENNESSEE

DOCKET NO. 03-00552

INITIAL ORDER GRANTING CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY

This matter came before the Hearing Officer of the Tennessee Regulatory Authority (the "Authority" or "TRA") at a Hearing held on November 12, 2003, to consider the Application for Certificate to Provide Competing Local Telecommunications Services (the "Application") filed by American Farm Bureau, Inc d/b/a The Farm Bureau Connection ("AFB") on October 8, 2003. The Application requests the Authority to grant AFB a certificate of public convenience and necessity to provide competing resold and facilities-based local exchange telecommunications services and interexchange telecommunications services, including exchange access services, in the State of Tennessee

Legal Standard for Granting Certificate of Public Convenience and Necessity

AFB's Application was made pursuant to, and was considered in light of, the criteria for granting a Certificate of Public Convenience and Necessity ("CCN") as set forth in Tenn Code Ann. § 65-4-201, which provides, in pertinent part:

(a) No public utility shall establish or begin the construction of, or operate any line, plant, or system, or route in or into a municipality or other territory already receiving a like service from another public utility, or establish service therein, without first having obtained from the authority, after written application and hearing, a certificate that the present or future public convenience and necessity require or will require such construction, establishment, and operation, and no person or corporation not at the time a public utility shall commence the construction of any plant, line, system or route to be operated as a public utility, or the operation of which would constitute the same, or the owner or operator thereof, a public utility as defined by law, without having first obtained, in like manner, a similar certificate . .

\* \* \*

(c) After notice to the incumbent local exchange telephone company and other interested parties and following a hearing, the authority shall grant a certificate of convenience and necessity to a competing telecommunications service provider if after examining the evidence presented, the authority finds:

(1) The applicant has demonstrated that it will adhere to all applicable commission policies, rules and orders; and

(2) The applicant possesses sufficient managerial, financial, and technical abilities to provide the applied for services.

\* \* \*

(d) Subsection (c) is not applicable to areas served by an incumbent local exchange telephone company with fewer than 100,000 total access lines in this state unless such company voluntarily enters into an interconnection agreement with a competing telecommunications service provider or unless such incumbent local exchange telephone company applies for a certificate to provide telecommunications services in an area outside its service area existing on June 6, 1995.<sup>1</sup>

<sup>1</sup> Notwithstanding the existence of subsection (d), the Federal Communications Commission ("FCC") has expressly preempted the Authority's enforcement of subsection (d) pursuant to the authority granted to the FCC under 47 U.S.C. § 253(d) *In the Matter of AVR, LP d/b/a Hyperion of Tennessee, LP Petition for Preemption of Tennessee Code Annotated Section 65-4-201(d) and Tennessee Regulatory Authority Decision Denying Hyperion's Application Requesting Authority to Provide Service in Tennessee Rural LEC Service Area*, FCC 99-100, (Memorandum Opinion and Order) 14 F.C.C.R. 11.064 (May 27, 1999). (Memorandum Opinion and Order) 16 F.C.C.R. 1247 (January 8, 2001) The Authority has since issued an order expanding a competing local exchange carrier's CCN to provide telecommunications services on a statewide basis including areas served by incumbent local exchange carriers with fewer than 100,000 total access lines in Tennessee *See In re Application of Level 3 Communications, LLC to Expand its CCN to Provide Facilities-Based Local Exchange and Interexchange Telecommunications Services in all Tennessee Service Areas*, Docket No 02-00230, *Order Approving Application of Level 3 Communications, L L C to Amend Its Certificate of Public Convenience and Necessity* (June 28, 2002)

Furthermore, pursuant to Tenn Code Ann. § 65-5-212, a competing telecommunications provider is required to file with the Authority (1) a plan containing the provider's plan for purchasing goods and services from small and minority-owned telecommunications businesses, and (2) information on programs that might provide technical assistance to such businesses.

**The November 12, 2003 Hearing**

Pursuant to Tenn. Code Ann. § 65-4-204, public notice of the Hearing in this matter was issued by the Hearing Officer on October 31, 2003. No persons sought intervention prior to or during the Hearing. At the Hearing held on November 12, 2003, Mr. Casey Wojciechowski, General Manager of AFB, participated in the Hearing, presented testimony, and was subject to examination by the Hearing Officer. Upon AFB's conclusion of the presentation of its proof, the Hearing Officer granted AFB's *Application* based upon the following findings of fact and conclusions of law:

**I. AFB's Qualifications**

1. AFB is a corporation originally organized under the laws of the State of Illinois on March 23, 1983, and was qualified to transact business in Tennessee on November 20, 1996.

2. The complete street address of AFB's corporate service provider is 225 Touhy Avenue, Park Ridge, Illinois 60068. The telephone number is (847) 685-8600 and the facsimile number is (847) 685-8680.

3. The *Application* and supporting documentary information existing in the record indicate that AFB has the requisite technical and managerial ability to provide competing local exchange telecommunications services within the State of Tennessee. Specifically, AFB's senior management team possesses extensive business, technical, operational and regulatory telecommunications experience

4. AFB has the necessary capital and financial ability to provide the services it proposes to offer.

5. AFB has represented that it will adhere to all applicable policies, rules and orders of the Authority.

**II. Proposed Services**

AFB intends to provide competing resold and facilities-based local exchange telecommunications services and interexchange telecommunications services, including exchange access services, within the State of Tennessee.<sup>2</sup>

**III. Permitting Competition to Serve the Public Convenience and Necessity**

Upon a review of the *Application* and the record in this matter, the Hearing Officer finds that approval of AFB's *Application* would inure to the benefit of the present and future public convenience by permitting competition in the telecommunications services markets in the State and by fostering the development of an efficient, technologically advanced statewide system of telecommunications services

**IV. Small and Minority-Owned Telecommunications Business Participation Plan and Business Assistance Program**

1. AFB has filed a satisfactory small and minority-owned telecommunications business participation plan, pursuant to Tenn Code Ann. § 65-5-212 and the Authority's Rules.

2. AFB has acknowledged its obligation to contribute to the funding of the small and minority-owned telecommunications business assistance program, as set forth in Tenn. Code Ann § 65-5-213.

---

<sup>2</sup> In Docket No 97-00025, by Order dated February 18, 1997, AFB was granted authority to resell telecommunications services in Tennessee

**V. Compliance with Tennessee's County-Wide Calling Requirements**

1. AFB has indicated its awareness of, and its obligation to comply with, the requirements of county-wide calling as set forth in Tenn. Code Ann. § 65-21-114

**IT IS THEREFORE ORDERED THAT:**

1. The *Application for Certificate to Provide Competing Local Telecommunications Services* of American Farm Bureau, Inc. d/b/a The Farm Bureau Connection is approved, and

2 Any party aggrieved by the Hearing Officer's decision in this matter may file a petition for reconsideration within fifteen (15) days from and after the date of this Order.

Dear Customer

We are pleased to inform you that IBFA acquisition Company, LLC d/b/a Farm Bureau Connection ("Farm Bureau Connection") has entered into an agreement to purchase the assets and operations of the American Farm Bureau, Inc. ("AFBI") Farm Bureau Connection Program. This is a positive development for you as our customer. This change will take place on \_\_\_\_\_, pending receipt of all required regulatory approval.

There will be no change to the rates, terms or condition of service currently provided to you. In addition, no charges or fees will be imposed as a result of this transfer. Farm Bureau Connection will provide at least thirty (30) days prior written notice of any changes to these rates, terms, and conditions up to ninety (90) days from the date of the transfer of customers. Any future changes in rates, terms and conditions of service will be done as prescribed by the Federal Communications Commission (FCC) and your state regulatory commission.

There is no cost to move your existing services from AFBI to Farm Bureau Connection. Farm Bureau Connection will be responsible for any carrier changes associated with this transfer. You should know that you have an option to change your telecommunications provider. If you would like to change service providers, you should do so before \_\_\_\_\_, otherwise your service will automatically convert to Farm Bureau Connection following approval of the transaction by state and federal regulators, even if you have a "preferred carrier" freeze on your account. If you have a preferred carrier freeze, you must contact the appropriate local exchange company to arrange a new freeze.

Please direct all questions, complaints, or concerns to the toll free number, 1-800-362-3276.

Thank you for your continued support of the Farm Bureau Connection program.
